DISTANCE LEARNING

Modern education should not be restricted by distance and time. Based on this belief, INCEIF developed and offer Islamic finance online programmes that are able to reach every level of individuals wherever they may be.

e-Learning

INCEIF students are fully supported by our E-Learning platform where all learning materials are made available online. Students anywhere around the globe will be able to interact, exchange ideas and share knowledge with our experts and among themselves through the online tutorial (webinar) and online forum discussion. Learning will be further supported by our illustrated reading materials, e-books and 3 webinar sessions of 1½ hours each. For students who prefer to experience our campus learning experience, INCEIF offers face-to-face tutorial and Intensive Review Course (IRC) which is an option available for all students.

Option for Exam Venue

Students can choose between taking their Final examination in Malaysia or in their country of residence.

Based on data between 2009 to 2018.

58% are employed in the financial, Insurance & Takaful Sector

45% Alumni obtained career advancement

45% of our students are international
